

# Sculpture Sponsorship Opportunities

## Sculpture Sponsorships

Over 30 years ago Charles and Angeline Umlauf gave a gift to the City of Austin with the hopes and dreams of providing a home for families, artists, nature lovers and the community to commiserate and enjoy the beauty of nature and sculpture right in the Heart of Texas, Austin. In 1991, the UMLAUF Sculpture Garden + Museum opened and since that day millions of people from around the world have visited the gardens to learn about the sculptor and University of Texas Professor, Charles Umlauf and to see his original sculptures that he gifted for all to enjoy.

The UMLAUF Sculpture Program is a special way for the community to support the dreams of Charles and Angeline Umlauf and to provide support for the programs provided by the UMLAUF Sculpture Garden + Museum. Through the UMLAUF Sculpture Program, companies, families, and friends can sponsor a sculpture and directly impact our community through our programs like Shaping Space where we partner with school districts to provide after-school programming for elementary school students with a passion for art. Funds also support emerging artists that participate in our rotating exhibits, our free Family Days that take place the first Sunday of each month, our UMLAUF After Dark series that spotlights musicians, artist and local small businesses, and the overall maintenance of the UMLAUF Sculpture Garden + Museum.

All the staff, Board of Directors, volunteers, and countless artists thank you for your consideration of making this meaningful gift. Provided is additional information of the suggested levels of giving that coincide with the sponsored sculpture.

From our hearts to yours, Thank You!
